Arbor Day: Plant On It!

The New Jersey Forest Service has been promoting Arbor Day statewide since 1949, when the New Jersey Legislature designated the last Friday in April as the official day to honor trees and the people who take care of them.

The Community Forestry Tube Seedling program gives communities and groups an affordable way to celebrate Arbor Day.

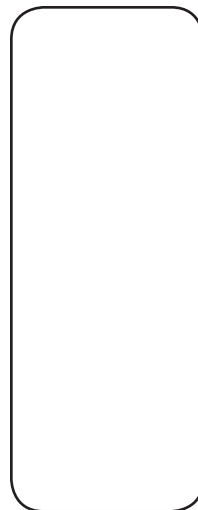

Tube-Seedlings:

- come 98 to a tray
- arrive in 8" recyclable tubes
- are delivered by UPS
